Business Psychology Associates will be offering a two (2) day training on Co-Occurring Disorders. The training is based on the SAMHSA TIP 42 and will include treatment planning. The training is designed for providers who are currently working with agencies contracted under the SUD Funded Provider Network.

Providers who are interested in attending the training must submit the attached registration form by October 8, 2010. **Please Note:** Registration is limited to 30 participants. Due to limited capacity, agencies with multiple registrants may be limited to the number of attendees approved to attend the training.

Completed registration forms should be faxed to, 208-344-7430 or emailed to: molly.zuniga@bpahealth.com.

If you have any questions, please contact your Clinical Regional Field Staff.
